# Summer Opportunities for High Schoolers

Most opportunities are not yet updated for Summer 2027, but remain on the list for your reference. 2027 Program and deadline information will be updated as it becomes available. Opportunities that are updated for 2027 are highlighted in green.

## *Summer Internships*

| Internship | Institution | 2026 Program Dates | Eligibility | Description | Paid? | Application Deadline | Website |
|---|---|---|---|---|---|---|---|
| Cleveland Clinic CYCE High School Summer Internships | Cleveland Clinic Center for Youth & College Education | June 8-July 28 | Age 15 or older by 6/1/27. 9th-12th grade. Min. 2.5 GPA. City/ county residency requirements for select programs. | 7-week, 30 hours/week program to provide engaging, real-world work experience and professional learning opportunities in clinical, non-clinical, and advanced technology tracks. The clinical track focuses on patient-facing areas. The non-clinical (Louis Stokes) track includes business-focused areas of healthcare. The advanced technology track focuses on technological aspects of healthcare, like AI, Clinical Engineering and Tech, Coding/Computer Programming, Data Science/ Database Development, Information Technology & Website Development. | Yes, $15 per hour | 2027 applications will open 1/1/27. 2026 applications were due in Feb 26. | https://my.clevelandclinic.org/departments/education/center-for-youth-and-college-education/internships#cyce-high-school-summer-internship-program-tab |
| Mobile Outreach Assistant Internship | Cleveland Metroparks, Ohio & Erie Canal Reservation | June 3 – August 7 | Current high school junior/senior or enrolled in a college/university | 15/hour per week internship working with the unit Naturalist to assist with the "Kids Nature Lunch & Learn" summer program, connecting park guests to nature through lessons and activities while spending time outdoors. Two positions available. | No | 4/10/26 | https://www.clevelandmetroparks.com/about/volunteer/service-learning-internships/ |
| NASA Pathways Internship | NASA | Late May/Early June – August | Minimum age: 16; must be enrolled/accepted for enrollment on at least a half-time basis at an accredited educational institution pursuing a degree or certificate | Variety of internships across Engineering, Science & Technology or Business disciplines to gain practical work experience while working at a NASA facility. | Yes | 2/27/26 | https://www.nasa.gov/careers/pathways/#Pathways-Opportunities |
| Natural Resources Service-Learning Internship | Cleveland Metroparks, West Creek Mgmt Ctr (Parma) | Mid-May through early August | Age 18 by start date | Five positions providing a variety of hands-on field experiences to develop skills in areas such as invasive plant management, native plant installation and maintenance, and green infrastructure maintenance. | No | 4/17/26 | https://www.clevelandmetroparks.com/about/volunteer/service-learning-internships/ |
| Student Branch Internship | Cardinal Credit Union (Mentor) | Not posted | Current student at Mentor High, Lake Catholic, North High, South High, or NDCL | Interns will receive hands-on experience in addition to practicing important lifelong skills. Responsibilities include cash & check processing, account opening assistance, marketing events, promotional activities, and customer service. | Yes | Not posted | https://www.cardinalcu.com/about-cardinal/career-opportunities/ |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Summer Internships (continued)*

| Internship | Institution | 2026 Program Dates | Eligibility | Description | Paid? | Application Deadline | Website |
|---|---|---|---|---|---|---|---|
| Student Leaders Internship | Bank of America | Internship: 6 weeks in June-July Leadership Summit: June 16-18 | High school juniors and seniors | Program connecting community-minded students to six-week paid internships with local nonprofits. Includes participation in an expenses-paid three-day national leadership summit. This program is offered in 100 communities nationwide, including Cuyahoga and Geauga counties. | Yes | Not posted | https://about.bankofamerica.com/en/making-an-impact/student-leaders |
| Summer Artworks Apprenticeship | Center for Arts-Inspired Learning | Not posted yet for 2026 | High school students in grades 10-12 | Paid 4-6 week apprenticeships where students are mentored by a Master Teaching Artist in an art form while building essential workforce and life skills to prepare for success beyond high school. | Yes | Not posted yet for 2026. | https://www.arts-inspiredlearning.org/artworks |
| Tech Talent Pipeline | Cleveland State University | Not posted yet | High school students | Offering 300 paid high school internships with 20 work sites, including many CSU-based research labs and work-based learning opportunities. More info coming soon. | | Not posted | https://www.csuohio.edu/summercsu/summercsu-highschool |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

# *Summer Volunteering*

| Organization | Eligibility | Description | Website |
|---|---|---|---|
| Cleveland Animal Protective League | 18+, 16-17 years old with parental consent | Variety of volunteer assignments at the shelter in Tremont | https://clevelandapl.org/youth-volunteering/ |
| Cleveland Clinic | Minimum age is 15, but some locations have a higher age requirement | Various opportunities available. | https://my.clevelandclinic.org/about/community/volunteer |
| Great Lakes Science Center | Age 16+ | Help inspire future innovators, assist with hands-on exhibits, prepare materials for hands-on activities, or fill other behind-the-scenes roles | https://greatscience.com/about/volunteer |
| Greater Cleveland Food Bank | Age 14+ | Volunteer opportunities in the GCFB Healthy Choice Food Market or Partner Distribution Hub, collecting, sorting, and repacking food that is donated each day. | https://www.greaterclevelandfoodbank.org/give-help/volunteer/opportunities |
| Holden Forests & Gardens | Varies; some opportunities for students who are 16+ | Wide variety of volunteer experiences at the Holden Arboretum and Cleveland Botanical Gardens, including office work, trail work/monitoring, events, academic programs, guest services, horticulture, conservation, and much more | https://holdenfg.org/make-an-impact/volunteer/ |
| Keystone Camp | High School student | Camp volunteers for a one-week Keystone Camp held in June at Hambden Town Hall in Hambden Twp. Volunteers help with set-up, clean-up, and assisting campers with daily activities. | *More info coming soon* |
| Rescue Village | Must be 16 or older to volunteer independently | Community Outreach and Engagement Volunteers attend community events, festivals, and schools or businesses to spread awareness and information about Rescue Village's events and services. See the Rescue Village website for more opportunities. | https://www.rescuevillage.org/get-involved/volunteer-opportunities/ |
| University Hospitals | Must be 15 or older | 10-week Summer Youth Volunteer program; various options available. 2026 info/applications not yet posted. | https://www.uhhospitals.org/locations/uh-cleveland-medical-center/volunteer-services/summer-youth-volunteer-program |
| Youth Challenge | Ages 12-18 | YC program volunteers are “hands-on” assistants to participants of Youth Challenge programs (year-round adapted sports and recreational programming offered throughout the Greater Cleveland area to children with disabilities). Volunteers are paired one-on-one with a participant partner at each activity to help them adapt the day’s program, while serving as a mentor, coach, and friend. | https://www.youthchallengesports.com/ |

*...and many more in your local community!*

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

# *Summer Programs (Ohio-Based)*

Summer programs allow students to explore careers and talents, often while exploring college campuses. Below are some of the Ohio-based summer programs available for high schoolers. Look for other opportunities on college websites.

Costs marked with an asterisk (*) indicate that scholarship opportunities are available to cover a portion or all of the program fees.

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| Aviation Academy | Jefferson or Middlefield, OH | June 10-July 1, 2026 (Monday - Friday) | Upcoming & graduating high school seniors; 16+ | Three-week intensive course to introduce students to aviation careers and certifications. Includes line-of-sight ground school training/certification, Part 107 (Unmanned Aerial Systems) training, and visits to the Pittsburgh Institute of Aviation and Kent State University Aviation School. Daily guest speakers will provide insights into fields such as piloting, maintenance, air traffic control, and more. Students will have the opportunity to fly a glider twice and participate in the Young Eagles program. | Not provided | Rolling application | https://www.gritohio.org/grit-summer-programs-2026/ |
| AWT STEM Camp *(for 5th-8th graders)* | AWT, Mentor | June 8-19, 2026 | Rising 5th grade through 8th grade | AWT Summer STEM Camp will give students opportunities for hands-on experiments and projects that cover a range of STEM topics. Some of the projects will include solar cars, binary coding, and soldering. Students will also get the chance to visit local manufacturing companies and identify connections between their camp projects and the companies they tour. (Runs 9 am to 3 pm.) | $450 | May 29, 2026, or when full | https://members.thinkmfg.com/awt-events/Details/awt-stem-camp-june-session-1574778 |
| AWT AeroMFG Camp *(for 5th-8th graders)* | AWT, Mentor | July 6-17, 2026 | Rising 5th grade through 8th grade | AeroMfg STEM Camp will be full of projects with a focus on aerospace and aeronautics, and will include field trips to local companies serving the aerospace industry! Some projects will include a light-up model solar system, flying rockets, and moon sand. (Runs 9 am to 3 pm.) | $450 | June 26, 2026, or when full | https://members.thinkmfg.com/awt-events/Details/awt-aeromfg-stem-camp-july-session-1574789 |
| Buckeye Student Leadership Academy | The Ohio State University & virtual | Begins in July 2026 | High-achieving rising Ohio seniors (current juniors) who are first-generation or attend rural or urban high schools | Year-long program to learn more about yourself and others, and how to make the college experience work for you. Includes a one-day kick-off on the OSU campus in July and bi-weekly virtual sessions. | Free | 3/1/26 | https://admissions.osu.edu/bsla/ |
| Cleveland Clinic Launch-pad to Nursing Boot Camp | South Pointe Hospital (Warrensville Hts.) | June 26, 2006 | 9th-12th Graders (other opportunities for middle schoolers) | Educational boot camp offering nursing exploration opportunities through informative and immersive learning experiences. Includes hands-on nursing simulation, interactive skill sessions, group activities, and collaborative learning opportunities. (Other dates during school months: March 27 & April 10, 2026.) | Free | Not posted | www.clevelandclinic.org/NursingExploration |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Ohio-Based Summer Programs (continued)*

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| Cleveland Clinic Sports Medicine Student Aide Workshop | North Royalton High School | Check back to see if offered in 2026. | High school students | Four-day workshop for high schoolers interested in gaining athletic training skills. Participating students will learn about current concepts in sports medicine from certified athletic trainers, physical therapists, physicians, and other specialists. | $160 | | https://events.clevelandclinic.org/?months=1 |
| College of Business ASPIRE Camp | University of Akron | June 1-5, 2026 | High school students | Interactive daytime opportunity for students to explore the world of business. Opportunity to win scholarships and prizes through a team competition. | $200 (early bird), $250 after 3/1/26 | Not posted | https://www.uakron.edu/cba/about-us/k12 |
| Conservatory Summer Institute | Baldwin Wallace University | June 26-July 2, 2026 | High school students | 7-day residential intensive where students can explore life at BW while growing as an artist through classes, private lessons, ensembles, & coaching sessions in choral, keyboard, strings, wind/percussion, or theatre. | $1,115 base tuition* | 5/31/26 | https://cas.bw.edu/programming/conservatory-summer-institute/ |
| Dance Immersion | Baldwin Wallace University | June 26-July 2, 2026 | High school students | Audition-based dance intensive for pre-professional dancers looking to pursue dance at the collegiate or professional level. Dancers will work with industry-leading instructors, challenge their technical development, and experience new dance styles. | $1,115 base tuition | 5/31/26 | https://cas.bw.edu/programming/dance-camp-high-school/ |
| Eisenmann Materials Camp | ASM Materials Headqtrs. (Novelty) | July 12-17, 2026 | Highly-motivated, inquisitive 11th- or 12th-grade students who have math & science aptitude | One-week, hands-on applied science camp features highly interactive, lab-based activities, leading small teams of students through an actual "forensic engineering investigation". | Free | 3/1/26 | https://www.asmfoundation.org/students/materials-camps/eisenman/ |
| Exploratory Arts & Science Pre-College | The Ohio State University | varies | High school students | A variety of one-week, intensive academic enrichment courses. | $550/ course | 51/26 | https://artsandsciences.osu.edu/future-students/arts-and-sciences-summer-exploration-program |
| Experience Engineering Camp | University of Mount Union | July 12-18, 2026 | Rising high school sophomores to recent high school graduates | Learn about the engineering profession through hands-on projects. Gain experience in 5 engineering disciplines, learn about entrepreneurship in engineering, ethics, & sustainability, & gain communication & presentation skills, while earning college credit | $910/ residential $573/ commuter | Not listed | https://www.mountunion.edu/about-mount/camps-and-conferences/experience-engineering-summer-program |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Ohio-Based Summer Programs (continued)*

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| FBI Future Agents in Training-Teen Academy | Cleveland FBI, Lakeside Ave. | June 8 - June 11, 2026 | Rising high school seniors (Class of 2027) | Program providing a comprehensive look into today's FBI. Covers terrorism, cyber crime, public corruption, polygraph exams, evidence response, SWAT, investigative tactics, and the day-to-day operations of an FBI office. | Free | 1/31/26 | https://www.fbi.gov/contact-us/field-offices/cleveland/community-outreach |
| Fisher College of Business Bootcamp | The Ohio State University | July 31, 2026 | Rising Ohio high school juniors & seniors who are first-gen or have limited access to college planning | A one-day Business Bootcamp to explore potential business careers and learn about the college admission process. | Not listed | Application opens in April | https://fisher.osu.edu/undergraduate/admissions/future-students/summer-programs |
| Future Nurses Academy | University Hospitals | East: June 15–26 Central: July 6–17 West: July 20– 31 | High school students entering the 11th or 12th grade in fall '26 | Two-week program for students interested in a nursing career to explore the profession. Includes visits to nursing schools at area colleges, while focusing on techniques & hands-on experience to learn nursing skills. | Free | 2/19/26 | https://www.uhhospitals.org/for-clinicians/nursing/education-programs/uh-future-nurse-academy |
| GPD Shadow Days for Architecture, Engineering, & Surveying | GPD Group Akron Hdqtrs: 520 S. Main St., Ste 2531 Akron, OH | June 11. 2026, 8-4pm | High school and college-aged students interested in architecture, engineering, and/or land surveying | An informative and immersive Shadowing Day where GPD engineers, surveyors, and architects show students what it is like to work in their prospective fields and give insight and guidance on how to navigate these career paths. | Free | Not posted | https://www.surveymonkey.com/r/QGH6MKC |
| HRS Health & Rehabilitation Science Camp | The Ohio State University | June 1-3, 2026 | High school students | Three-day non-residential camp to expose students to career opportunities in healthcare through hands-on activities & simulations. | Free | 4/24/26 | https://hrs.osu.edu/about-us/diversity-equity-and-inclusion/hrs-camp |

| MD Camp | Ohio State University | June 8-26, 2026 (M-F, 8:00 am - 4:30 pm) | Rising high school sophomores, juniors & seniors | A three-week day camp for students interested in pursuing a health career. Participants experience the rigors of medical school as they shadow OSU clinicians and researchers. | $325* | 3/17/26 | https://medicine.osu.edu/diversity/initiatives/md-camp |
| Make It at Myers | University of Akron | June 8-12, 2026 | For rising high school juniors & seniors | Non-residential program for students to create a personal narrative & explore Akron's Myers School of Art & Design. | $25 app fee, $450 for overnight camp option | 5/15/26 | https://www.uakron.edu/art/makeitatmyers/ |
| Marine Biology: The Life Aquatic | Bowling Green State University | June 8 - 12, 2026 | Students entering grades 9-12 in fall of 2026 and 2026 high school graduates | Non-residential program to learn about marine ecology through working closely with the University's collection of saltwater specimens, field trips, hands-on experiences, experiments, and lab work. | $850* | 3/2/26 early deadline; 4/30/26 general deadline | https://www.bgsu.edu/LifeAquaticCamp |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Ohio-Based Summer Programs (continued)*

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| NASA Glenn High School Engineering Institute | Glenn Research Center, Cleveland | Session 1: July 13-17, 2026 Session 2: July 20-24, 2026 Session 3: July 27-31, 2026 | Rising high school juniors & seniors (min 3.2 GPA) | A week-long program held at NASA Glenn Research Center in Cleveland for high school students who have demonstrated strong capabilities in STEM and are highly motivated to pursue engineering careers in the aerospace industry. The program introduces students to engineering and technology concepts used by STEM professionals at NASA to accomplish their research and development work. Students utilize the engineering design process to design and test prototypes relevant to NASA Glenn areas of expertise in reducing aircraft noise, developing power systems for spacecraft, and designing wheels for rovers. | Not posted | 5/1/26 | https://stemgateway.nasa.gov/s/course-offering/a0BSJ000002sZio/nasa-glenn-high-school-engineering-institute-individual |
| Pathways to Pharmacy Camp | NEOMed College of Pharmacy, Rootstown | June 15-18, 2026 | Current high school juniors & seniors | Four-day daytime camp consisting of workshops and compounding laboratory activities, while learning about various pharmacy career paths. | $200 | Not posted | https://www.neomed.edu/pharmacy/aca+demics/pre-pharmacy/pathways-to-pharmacy/ |
| Nursing Summer Camp | Ashland University | July 9 or 10, 2026 | Students 16 or older | One-day camp to learn nursing skills/techniques, explore Ashland's nursing simulation lab, & visit with nurses in a hospital setting. | $50 | Not posted | https://www.ashland.edu/about/university-calendars |
| Odyssey Film Programs & Workshops | Cleveland State University | Varies | High school students (age 13-18) | Series of intensives focused on filmmaking, screenwriting, and acting/directing. Residential & commuter options available. | Varies; $1,200 to $3,000 | Not posted | http://www.csufilmodyssey.com/programs/ |
| Oelshlager Summer Leadership Institute | University of Akron | July 22-24, 2026 | High school students | Seven-day college readiness workshop to introduce students to the requisite skills, attitudes, and resources for college success. | Free | Not yet posted | https://www.uakron.edu/osli |
| Ohio CPA Foundation CPA Camp | Cleveland State University | June 24, 2026 | High school & college students | One-day experience to explore careers in accounting. *(Also offered at other Ohio colleges on various June dates in 2026.)* | Free | Not posted | https://ohiocpa.com/quick-links/the-ohio-cpa-foundation/recruiting-students/cpa-camp |
| Ohio Super-Computer Center STEM Institute | The Ohio State University | May 31 - June 12, 2026 | Ohio high school freshmen, sophomores & juniors | Residential camp to learn how to solve complex science & engineering problems, catch hackers, design computer games & more using supercomputers. | $600 | 4/1/26 | https://www.osc.edu/education/si |
| Pathways to STEM Camp | Ohio Northern University | June 14-18, 2026 | High schoolers entering sophomore through senior year in Fall 2026 | Four-day residential program for students to participate in hands-on laboratory experiences & interact with practicing engineers & scientists as they explore careers in STEM. | $495 | Not posted | https://www.onu.edu/camps-and-events |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Ohio-Based Summer Programs (continued)*

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| Pharmacy Camp | Ohio Northern University | June 14-18, 2026 | High schoolers entering sophomore through senior year in Fall 2026 | Four-day program to explore pharmacy careers through instruction, hands-on lab and research experiences, and site visits. | $495 | Not posted | https://www.onu.edu/camps-and-events |
| Pharmacy Summer Camp | University of Findlay | June 7-10 or June 14-17, 2026 | Students who will be high school juniors or seniors in Fall 2026 | Four-day program to gain hands-on experience in state-of-the-art labs, interact with pharmacists, and explore pharmacy careers. | $400, residential ($250 early bird) | Not posted | https://www.findlay.edu/pharmacy/pharmacy-summer-camp |
| Philosophy & Critical Thinking (PACT) Summer Camp | The Ohio State University | Session 1 July 13-17, 2026; Session 2 July 27-31, 2026 | High school students | Week-long non-residential summer learning program, introducing students to philosophy through rigorous, engaging, and fun learning experiences. Session 1: Philosophy of Artificial Intelligence; Session 2: Philosophy & Identity | $500* | Not posted | https://philosophy.osu.edu/pact |
| Project Seed | University of Akron | June-July, 2026 | Low-income high school students interested in chemistry or science | 8-10 week summer program to gain hands-on experience in scientific research. Work on a research project under mentor guidance, gaining lab experience and insight into potential chemistry-related careers. Chance to earn a $4,000 stipend, present research at national meetings, and apply for college scholarships. | Not posted | Not posted | https://www.uakron.edu/engineering/k12-programs/ |
| Reynolds Young Writers Workshop | Dennison University | June 19 - 28, 2026 | Students who have completed their sophomore or junior year in high school by June of the program year | Ten-day residential program for motivated students who are passionate about writing and eager to connect to a close-knit community of writers. | $1,700* | 3/3/26 | https://reynolds.denison.edu/ |
| Sonic Arts Workshop | Oberlin College | July 12 - 18, 2026 | High school students | Seven-day program focused on electronic music composition & production. Covers digital audio editing & manipulation, real-time computer music performance techniques, & discussion of pieces from the field. | $1,650, residential; $1,100, commuter; $65 app fee | Priority deadline: 2/5/26; final deadline, 3/15/26 | https://www.oberlin.edu/summer-programs/sonic-arts-workshop |
| Sports Management Institute | Cleveland State University | July 14-16, 2026 | Students entering sophomore, junior, or senior year of high school | Three-day experience to explore sports and entertainment management careers & network with industry professionals. Includes visits to local sports facilities. | Free | Not posted | https://business.csuohio.edu/summer-sports |
| Stephanie Tubbs Jones Legal Adventure | Cleveland Bar Assn. | June 22-26, 2026 | NE Ohio high school students | One-week interactive law institute where area judges, lawyers, & law professors introduce students to numerous legal issues and legal career opportunities. | Free | 5/18/26 priority placement | https://www.clemetrobar.org/?pg=StephanieTubbsJonesSummerLegalAdventure |

7700 Clocktower Dr., C-2048, Kirtland, OH 44094 | 440.525.7095 | admin@leaf-ohio.org | www.leaf-ohio.org

## *Ohio-Based Summer Programs (continued)*

| Opportunity | Location | Program Dates | Eligibility | Description | Cost | App/Reg Deadline | Website |
|---|---|---|---|---|---|---|---|
| Summer Arts Programs | Ohio University | Various June dates | Rising HS sophomores, juniors & seniors | Various programs in Art/Design, Dance, Film, Music, & Theater | Varies*; residential & commuter options | Not posted | https://www.ohio.edu/fine-arts/summer-arts-programs/high-school/high-school |
| Summer Engineering Experiences | University of Dayton | June 15, 16, or 17, 2026 | Rising high school juniors (class of 2028) and seniors (class of 2027) | Day-long camps to explore types of engineering from faculty, through engagement with current School of Engineering students, and immersive, hands-on activities in labs. Students can register for multiple camps over the three days. | $100/day | Not posted | https://udayton.edu/calendar/2026/06/see-ud-summer-engineering-experiences-at-the-university-of-dayton.php |
| Summer Experience in Engineering Camp | University of Akron | June 1-5, 2026 | Students entering grades 9-12 | Day camp to learn more about aerospace systems, biomedical, chemical, civil, computer, corrosion, electrical & mechanical engineering. | $350*l | Not posted | https://www.uakron.edu/engineering/k12-programs/ |
| Summer Fashion Academy | Kent State University | June 14-20, 2026 | Rising HS juniors & seniors (age 16-18) | Residential program to learn about key areas of fashion design and merchandising.
